

PUBLIC HISTORY EMPHASIS (WITH A 3+2 MASTER OF ARTS IN GALLERY AND MUSEUM MANAGEMENT)

The Public History emphasis with a 3+2 MGMM allows students to complete the B.A. in History with Public History emphasis and the Master of Arts in Gallery and Museum Management at Western in five years. The Public History Emphasis requires a minimum of 65 credits, including the required 33 credit History Core, 23 credits of required supporting courses and 6 credits of designated elective courses.

Upon successful completion of the prescribed Public History program, University defined General Education, and elective requirements totaling 120 credits (with 40 at 300-level or higher), students are eligible for the B.A. conferral. Students electing to complete the MGMM must follow the balance of their declared emphasis curriculum. To remain qualified for the 3+2 by the end of his/her sophomore year each student must have:

- Maintained a 3.0 cumulative GPA and a 3.25 within the major
- Completed 65 credits
- Completed General Education credits

By the end his/her junior year

- Fulfilled the 3-credit internship requirement with a B or above and positive letter from the project sponsor
- Provided three letters of reference from professors or supervisors in related fields
- Provided an 8-10 page writing sample
- Provided a written 800-1,000 word Statement of Purpose to the MGMM program, detailing early career ambitions and ideas/connections for the eventual Master's Project

In addition to meeting the requirements above, and after Junior Year and completion of Public History emphasis requirements (95 credits in this plan), students will be designated as "MGMM candidates with provisional acceptance." Upon completion of the final 28 credits of the Western B.A. after Year Four of this plan, students will be designated as "MGMM degree seeking students." Students who have completed all other requirements of the 3+2 program and all Western undergraduate requirements, yet choose to leave the MGMM program before Year 5, will still have completed the History program with an emphasis in Public History and have earned 120 credits necessary for a Western undergraduate degree.

The Public History Emphasis requires a minimum of 65 credits, including the required 33 credit History Core, 23 credits of required supporting courses and 6 credits of designated elective courses.
